Emerging market equities: index upgrades and the Middle East (by Emirates NBD Asset Management and Jupiter Asset Management)

With structural and economic reform in full swing in the MENA region, equities across cap sizes in Egypt and Saudi Arabia are capturing the imagination of Emerging Market (EM)

investors, according to this co-authored white paper by Jupiter Asset Management and Emirates NBD Asset Management. The report analyses investment trends and the impact of the MSCI upgrade on the region's capital markets.

IR Practitioners Survey

The banner features a blue sky background with a modern building facade on the right. On the left, the Middle East Investor Relations Association logo is displayed. In the center, the text '» 2018 IR Practitioners Survey' is prominently shown. On the right, the Hanson Search logo is visible. Below the banner, a dark blue box contains text encouraging participation in the survey.

The ["2018 IR Practitioners Survey"](#) will run until tomorrow!

If you have not participated in the survey yet, please take the time to consider contributing to this important research.

About Middle East Investor Relations Association

The Middle East Investor Relations Association (MEIRA) is an independent non-profit organisation dedicated to promoting the Investor Relations (IR) profession and industry standards in corporate governance. The mission of MEIRA is to enhance the reputation, efficiency and attractiveness of the Middle East capital markets.

This involves a commitment to fostering increased dialogue among its members and to encourage them to share and adopt best practice techniques within the field of IR. In partnership with stock exchanges, regulators and other market participants, MEIRA supports companies through its professional development and certification programmes as well as its membership community and network of country chapters.
