

## Become a **Partner** of the Middle East Investor Relations Association

MEIRA's Partners consist of a small group of important regional and international institutions that have a specific interest in sponsoring MEIRA and its initiatives.

At MEIRA we work closely with our Partners on all regional initiatives and events, and representatives from the Partners tend to be actively involved in MEIRA's various committees and events.

MEIRA's Advisor Partnership offering is aimed at companies such as investment banks, corporate access providers, law firms, audit firms and financial communications agencies that work closely with the IR departments of listed companies. MEIRA relies on the support and involvement of its advisor members when it comes to content generation and expertise.
