

CIRO Programme - Virtual Course

MEIRA's professional development programme aims to provide IR practitioners across the MENA region with an up-to-date understanding of the international ethical and professional standards of the industry, as well as the knowledge needed to help run and manage a successful IR programme.

The Certified Investor Relations Officer (CIRO) programme, delivered in partnership with the UK IR Society, is an internationally recognised qualification in Investor Relations.

The CIRO programme training has been re-worked and it is now offered as a **one-day online revision course**, specifically aimed at preparing CIRO candidates for the exam.
