

Integrating ESG/Sustainability into IR

MEIRA is delighted to partner with SRI-Connect, a pioneer in understanding and addressing sustainability issues for IR, and SITA (Sustainable Investment Training Associates), to offer an ESG/sustainability training course for IR practitioners.

Upon completion of training, course delegates will understand how to respond to the needs of the investment community, including being in a position to begin the integration of ESG into IR programmes.

This training course will be delivered exclusively and virtually through the MEIRA online platform and is expected to take up to **4 hours**.

Upon completion of the course, all online training material contents and a **MEIRA certificate of attendance** will be given to delegates.
