J.P.Morgan

"J.P. Morgan created the first ADR in 1927 for a UK retailer, Selfridges. With nearly 100 years of experience, we are honored to be the depositary bank of choice for some of the largest global blue chip names.

The Middle East is undergoing tremendous positive change shaping new opportunities, especially in the capital markets with exciting prospects for economic growth, which will benefit the region and its people.

J.P. Morgan is excited to be part of this growth story. We look forward to engaging with Investor Relations (IR) practitioners to discuss their insights on their IR and ESG outreach strategies".
