Guide for Best Practice Debt Investor

have launched the Guide for Best Practice Debt IR, a practical communications guide for debt and Sukuk instruments.

First published a decade ago, this newly updated document is a valuable reference not only for Investor Relations Officers but for anyone working in the region's Debt Capital Market.

What's new at MEIRA? MEIRA Updates

Notes from the GM

What a day, what a week and all in the Kingdom of Saudi Arabia!

We themed the annual conference and awards on 24 October, MEIRA 2022: KSA through the IR looking glass because it was to be the first time in the Kingdom for us and for many others. I don't think it disappointed given the tremendous response on the ground and online, while the positive vibe we enjoyed in Riyadh last week continues to be felt after the big event, MEIRA's biggest day of the year!

Thank you for all your support - we can't do it without all of you - and we now look forward with much anticipation to MEIRA 2023, coming to Manama City. Join us in Bahrain in 2023 for the next MEIRA annual conference and awards when we celebrate MEIRA's 15th anniversary. Can't wait!

On the home front, Team MEIRA is all change, well, sort of in that Alicia Gallego Martinez, our Senior Manager, is heading home to Spain this month.

hand, while departing the region after 8 exhilarating years, 6 years of which were very well spent with MEIRA - lucky MEIRA - will start her own boutique, Audere Strategies, and retain MEIRA as her first client. Can't wait!

Stay well and let's plan for year-end and 2023 - doesn't it all come around too quickly when you are enjoying life so much, never a dull day at MEIRA!?

Go well, Alicia.

Best wishes,

Team MEIRA.

AN INTERVIEW WITH ALICIA GALLEGO

Alicia Gallego is stepping down as MEIRA Senior Manager and will be heading back to Spain where she plans to start as an independent consultant. John Gollifer, MEIRA General Manager, interviews her for the MEIRA Newsletter.

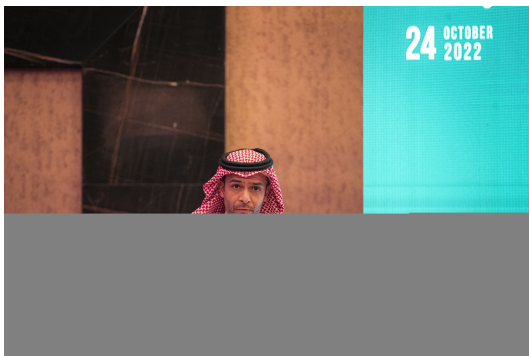

“*Professional bodies, like MEIRA, have a unique position that allows them to navigate the environment with a clear vision and direction.*”
