Vivid expression for going down to the wire or being close to the end, an exciting end, for sure. Good luck to all teams, what a wonderful sporting showcase it has been with so many exciting matches too close to call.

Talking of which, you will know that at this time of the year, we too are down to the wire. in 2023. So hurry, pay 2022 rates now!

Thank you for your continued support, it goes without saying that everything we do, we do for you. It's been another busy end to another good year at MEIRA. We very much look forward to doing it all over again with you as we continue to develop your IR. We have much to look forward to, from more Chapter meetings, IR Awards and of course, the biggest and best IR conference and celebration on 13 November 2023 in Manama City, Bahrain. Can't wait, join us for MEIRA's 15th anniversary party!

Enjoy the seasonal break and on behalf of all of us at MEIRA, happy 2023 when we finally get there.

Best wishes,

Team MEIRA
