MEIRA IR Best Practice Awards – Polling is open

The 2023 Emerging EMEA Executive Team Survey opened on 11 April and it will run until 5 May. IR winners in the Middle East will be announced at the MEIRA IR awards ceremony on 13 November 2023.

Both the buy-side and sell-side can give their views on the IR performance of corporates and individual IR professionals based in the Middle East. Corporate rankings for MENA are based on votes from global firms and individuals on the buy-side investing in MENA, and sell-side covering MENA.

In order to raise awareness about the survey and get independent and actionable feedback on your IR programme and IR/Executive Management Teams, we recommend the following:

- IR Teams who have not yet completed the 2-step process for their Roster & Corporate Insights, please go to <https://roster.institutionalinvestor.com/home>
- Directly ask your buy & sell-side contacts to take part
- Insert the "Survey Vote" marketing banner ([download](#)) on your corporate website and your signature hyperlinked to [Institutional Investor website](#).
