A message from FTI Consulting

An interview with Argaam

What is your area of expertise?

Argaam stands at the forefront of the region's financial data landscape, dedicated to delivering up-to-the-minute news and invaluable insights to empower investors in making informed financial decisions. Our profound expertise encompasses a wide spectrum of services, including Editorial, Investor Relations, Argaam Plus, and a multitude of other offerings.

Why are you supporting the MEIRA Annual Conference?

Over the years, MEIRA has consistently held the mantle of leadership in elevating the stature, operational efficiency, and allure of the Middle East capital markets. Such unwavering dedication deserves nothing less than our wholehearted support, alongside the endorsement of prominent industry figures in the region. We firmly believe that the conference stands as a pivotal milestone in the ongoing endeavour to champion the Investor Relations (IR) profession in the Middle East, and we are eager to actively participate in and bolster this journey, offering MEIRA our fullest support and commitment.

Why should any IR practitioner attend the event?

We wholeheartedly urge all Investor Relations (IR) practitioners to seize the opportunity to attend this event. It provides a unique platform for gaining valuable insights from industry frontrunners on the principles of global best practices. Moreover, the event affords attendees the chance to identify outstanding achievers and stay abreast of the latest trends in the realm of IR. Lastly, MEIRA extends a

warm invitation to practitioners to actively engage and showcase their contributions in forthcoming events, fostering a dynamic and collaborative IR community.
