What's wrong with PDF? Unveiling its pitfalls and embracing the advantages of online reports

29 February 2024

11:00 am (UAE time)

Online

In line with tradition, businesses consistently produce an abundance of PDF reports each year. However, PDFs alone may no longer suffice. There is now an era of more interactive and user-friendly solutions — online reports.

In Fanda's webinar, we will address possible misconceptions regarding online reports, discuss how embracing these reports can advance your stakeholder engagement, and share our insights on implementation.

Investor Relations in the Telecom sector

Alex Bolis
Special Advisor to the Group
CEO and CFO of VEON

March 7, 2024
11:00 am - 1:30 pm

meira

MEIRA is excited to announce its first sector-focused webinar on the topic of "Investor Relations in the Telecom sector". This webinar is perfect for members and delegates who are either running an IR programme in the Telecom sector, or willing to make a move in the space. The course will touch base on how to effectively communicate with both buy-side and sell-side specialists, read and analyse financial statements in the Telecom sector, and the metrics that specifically affect the industry.

Our trainer for the session, Alex Bolis, brings over 25-year experience in the Telecom sector, running the Investor Relations programme across different publicly listed companies.
