MEIRA New Logo

We are thrilled to unveil our **new association logo**, a vibrant evolution of its predecessor. This modernised design reflects our commitment to progress and innovation as we embrace a new era. We believe this fresh look embodies our dynamic vision and strengthens our identity.

AI and IR: Trends in the Middle East Survey

We are excited to invite you to participate in our AI and IR Trends Survey. Your participation is crucial as it will help us compile a comprehensive report that will be unveiled at the upcoming MEIRA Conference.

The survey will take approximately 10–15 minutes to complete. We assure you that all responses will remain anonymous and will be used solely for the purpose of this research.

MEIRA IR Reporting Awards – updates and process

The MEIRA IR Reporting Awards have established themselves as the top benchmark for IR reporting and disclosure best practices in the Middle East. Apart from the consolidated categories, “**Best Printed Annual Report**” and “**Best Digital Annual Report**,” this year we are excited to introduce the “**Best IR Film**,” the “**Best Sustainability / ESG Report**,” and the “**Best 1 Year Post IPO Annual Report**.”

Together, these five categories will recognize the best issuers in the region and will also serve as best-in-class examples for companies looking to continue enhancing their practices.

The **methodology** and the **entry form** are available here. The process is open **until August 30th**.

Don't miss out on this chance to showcase your excellence in IR reporting!

Discover how your organisation can **benefit** from our tailored sponsorship packages designed to maximise visibility and engagement. Download our **Sponsorship Brochure** today to explore the exclusive benefits awaiting your brand.

Don't miss this chance to make a lasting impact.

ADNOC Drilling

ADNOC Drilling, one of the major listed companies on the Abu Dhabi Securities Exchange, is the largest drilling and integrated drilling services (IDS) company in the Middle East by fleet size, owning and operating one of the largest multi-discipline drilling fleets in the world. The Company is a critical link in ADNOC's upstream business, as ADNOC responsibly accelerates its production capacity targets in light of globally increasing demand for energy. ADNOC Drilling incorporated IDS into its portfolio in 2018 and now offers a total solution of start-to-finish wells and associated services.

Burjeel Holdings is a leading ADX-listed super specialty healthcare services provider in the Middle East. Founded in 2007, the Group has developed an integrated and multi-brand healthcare ecosystem across primary, secondary, tertiary, and quaternary medical care, ensuring complex care delivery to patients across all socioeconomic groups. Our network comprises 82 assets across the UAE, Oman, and Saudi Arabia, including 17 hospitals, 42 medical centers, 15 pharmacies, and other allied services.

For over four decades, the **National Agricultural Development Company “NADEC”** has successfully achieved significant advancements in the food industry through a series of strategic transformations, goals, and development plans. This has positioned NADEC among the most important Saudi and regional companies leading in the production and distribution of food and beverages. In recent years, NADEC has been supported by the Kingdom’s Vision 2030 in the field of food security. This support has enabled the company to fulfill its pioneering national role since the 1980s in contributing to achieving self-sufficiency for the Saudi food market. NADEC was the first agricultural company to be listed on the Saudi stock market.

Our vision is to deliver products with high nutritional value to consumers, we strive to achieve the highest levels of satisfaction, aiming to attain regional and global leadership in the food industry sector. This positively reflects on the image and economic

production, aligning with the Kingdom's Vision 2030.

Our mission is to commit to providing products with beneficial nutritional value and exceptional quality that meet the needs and aspirations of customers and beneficiaries
