AI and IR: Trends in the Middle East Survey

We are excited to invite you to participate in our AI and IR Trends Survey. Your participation is crucial as it will help us compile a comprehensive report that will be unveiled at the upcoming MEIRA Conference.

The survey will take approximately 10–15 minutes to complete. We assure you that all responses will remain anonymous and will be used solely for the purpose of this research.

Events

The banner features a dark purple background with a pattern of small, colorful dots in shades of blue, green, and pink. In the top left corner is the meira logo, which includes the text 'meira' in a bold, sans-serif font and 'middle east investor relations association' in a smaller font below it. In the top right corner is the ADX logo, which includes the text 'ADX' in a bold, sans-serif font and 'سوق أبوظبي للأوراق المالية' and 'Abu Dhabi Securities Exchange' in smaller fonts below it. The main text of the banner is centered and reads: '2024 meira annual conference' in white, followed by a horizontal line, then 'Bridging Opportunities: Accelerating IR in the Middle Eastern Capital Markets' in a large, bold, sans-serif font with a color gradient from purple to green. Below this is a horizontal line with a colored bar on the left, followed by the text 'December 11-12' and 'Abu Dhabi, UAE'.

MEIRA IR Reporting Awards – updates and process

The MEIRA IR Reporting Awards have established themselves as the top benchmark for IR reporting and disclosure best practices in the Middle East. Apart from the consolidated categories, “**Best Printed Annual Report**” and “**Best Digital Annual Report**,” this year we are excited to introduce the “**Best IR Film**,” the “**Best Sustainability / ESG Report**,” and the “**Best 1 Year Post IPO Annual Report**.”

Together, these five categories will recognize the best issuers in the region and will also serve as best-in-class examples for companies looking to continue enhancing their practices.

The **methodology** and the **entry form** are available here. The process is open **until August 30th**.

Don't miss out on this chance to showcase your excellence in IR reporting!

[Methodology](#)[Entry Form](#)

Discover how your organisation can **benefit** from our tailored sponsorship packages designed to maximise visibility and engagement. Download our **Sponsorship Brochure** today to explore the exclusive benefits awaiting your brand.

Don't miss this chance to make a lasting impact.

Fertiglobe

An ADNOC and OCI Company

Fertiglobe is the world's largest producer of urea and ammonia combined, and the number one producer of nitrogen fertilizers by production capacity in the Middle East and North Africa (MENA) region, and an early mover in sustainable ammonia.

With plants in the UAE, Egypt and Algeria, Fertiglobe's production capacity comprises of 6.6 million metric tons of urea and merchant ammonia annually, distributed by a centralized global sales and marketing organization through a robust storage and distribution infrastructure, with direct access to six key ports and distribution hubs on the Mediterranean Sea, Red Sea, and the Arab Gulf. As a leader in merchant ammonia and early mover in low carbon ammonia projects, Fertiglobe also aims to play a role in the decarbonization of industry, food, transport, and energy, and it is ideally placed to further strengthen its leadership position in the coming years as the demand for renewable and low carbon ammonia continues to grow.

Fertiglobe employs more than 2,700 employees and was formed as a strategic partnership between OCI Global and ADNOC in September 2019.

Headquartered in Abu Dhabi, Fertiglobe was incorporated in Abu Dhabi Global Market (ADGM) and listed on the Abu Dhabi Securities Exchange (ADX) in October 2021.
