Enhance Corporate Access

How to Unlock Exclusive Corporate Access at the 2024 MEIRA Annual Conference & Awards!

For the first time ever, MEIRA is thrilled to offer **exclusive corporate access** to up to 50 corporate members at the 2024 MEIRA Annual Conference & Awards, on December 11–12 in Abu Dhabi. Thanks to a strategic collaboration between **First Abu Dhabi Bank (FAB), J.P. Morgan, International Securities**, and other leading banks (soon to be announced), attendees will have the unique opportunity to gain corporate access over the two-day event.

How to Secure Corporate Access

Corporate members will be selected for corporate access based on:

- **Early Registration:** Priority will be given to those who register early for the event, [click here to register](#).
- **Investor Demand:** Based on the number of meeting requests from investors.
- **Management Participation:** Corporates with active management participation in the event will have an edge.
- **Additional Sponsorship:** Secure 1 – 2 days of corporate access by contributing additional sponsorship.

Don't miss this chance to enhance your exposure and meet with key investors at this premier event. [Sign up here](#)

From next week, our Corporate Access Partner, WeConvene, will commence reaching out to Members who have registered for the Annual Conference, and start gathering availability for Corporate Access. WeConvene is a cloud-based meetings and events management platform that will be working closely with Investment Banks and Investors to manage the Corporate Access schedule.

MEIRA IR Reporting Awards – updates and process

The process is open **until August 30th**.

Don't miss out on this chance to showcase your excellence in IR reporting!

Discover how your organisation can **benefit** from our tailored sponsorship packages designed to maximise visibility and engagement. Download our [Sponsorship Brochure](#) today to explore the exclusive benefits awaiting your brand.

Don't miss this chance to make a lasting impact.

QMM's mission is to enhance liquidity and market efficiency in capital markets, which ensures that issuers benefit from increased market activity, fairer pricing, and heightened investor interest. As one of the most prominent market makers and liquidity providers in the region, and the largest on Abu Dhabi Securities Exchange (hashtag#ADX), QMM leverages cutting-edge technology and extensive expertise to enhance market liquidity and boost investor confidence. Additionally, QMM stands as the leading securities lending and borrowing agent on ADX. The highly experienced and dedicated team at QMM excels in creating and optimizing liquidity, ensuring highly tradeable securities. This dedication

market participants. The efforts of QMM have resulted in significantly enhanced addressable liquidity which has benefitted all market participants across the capital markets ecosystem.
