We are delighted to share the successful completion of a bespoke **CIRO in-person training program**, delivered exclusively for the team of our esteemed member, **SABIC**. The training took place on **November 27** at SABIC's training academy in Riyadh, led by one of our expert trainers, **Andreas Goldou**.

The program was designed to enhance the team's investor relations expertise, equipping them with the knowledge and tools to navigate the complexities of global investment markets. Participants engaged in dynamic sessions and practical discussions, gaining valuable insights into best practices and strategies in investor relations.

We extend our gratitude to SABIC for their commitment to professional excellence and to Andreas Goldou for delivering an impactful and inspiring training.

Congratulations to all participants for their dedication and achievement!

Listed on the Abu Dhabi Securities Exchange (ADX: DRIVE), **Emirates Driving** is a leading provider of driver education and the primary pre-licensing driving institute for the Emirate of Abu Dhabi.

Since its establishment in 2000, EDC has set the standard for driver training in the region, delivering top-tier road safety education to support Abu Dhabi's rapid population growth and urban development. Over the years, EDC has proudly trained more than 1.5 million students, contributing to safer roads and more

footprint to the Emirate of Dubai through the acquisition of Excellence Premier, further solidifying its position as a regional leader in driving education.

EDC continually improves its training programs to align with global best practices and ensures compliance with local regulations.

Investory is a leading Investor Relations advisory firm based in Abu Dhabi. With over 80 years of combined expertise, we have a profound understanding of the UAE, regional, and international capital markets. As the only majority-owned Emirati IR company, we specialize in empowering businesses to communicate their financial stories with impact and precision to drive value creation.

Investory integrates investor relations into the broader strategic planning of businesses, helping them optimize valuation and strengthen their capital markets presence. We work with equity and debt issuers of all sizes, tailoring our approach to each client's unique needs. Our mission is to deliver clear, data-driven financial stories that resonate with stakeholders and differentiate our clients in competitive markets. By combining global best practices with a local understanding, we support businesses in building lasting relationships with investors and unlocking long term growth opportunities.
